The Second Annual Meeting of Working Committee of TCM in General Hospitals of WFCMS

First Round Notice

With the release of national TCM Health Service Development Plan and TCM Development Strategic Plan, TCM will play an important role in promoting healthy China construction and "The Belt and Road" construction. Which also provide new opportunities for the TCM development of general hospitals. In view of this, the Second Annual Meeting of Working Committee of TCM in General Hospitals of WFCMS, hosted by Working Committee of TCM in General Hospitals of WFCMS and First Affiliated Hospital of Jinan University, will be held in Guangzhou, July 7-9, 2017. The purpose of the meeting is to summarize work experience, promote TCM development in general hospitals, and accelerate TCM internationalization. Renowned speakers, including academicians, famous TCM doctors, and scholars from United States and Russia, will be invited to participate and give keynote presentation on the theme "TCM Inheritance and Innovation". We now call for papers and speakers. Scholars from domestic and aboard, who engaged in the work of TCM, Chinese Materia Medica, or Integrative Medicine, are welcomed to participate, submit papers and give presentations.
